

About N2 Dance:

N2 Dance (pronounced "in to dance") is a performing arts school specializing in Hip-Hop, Jazz, and Voice.

N2 is also an abbreviation for the performance compound No-Limits and Na'au (heart and soul). N2 Dance was started in Honolulu in August 2001 by Maika and Angela Woods, Husband and Wife dancers, choreographers and Teachers. After moving to the Big Island in 2005, for 6 years N2 Dance was based at a Hawaiian Immersion School in Kea'au. All N2 Dance classes are now located at the YWCA of Hawai'i Island. No YWCA membership is required for classes.

Mission Statement:

N2 Dance will maintain **high moral values** (*meaning we keep it family friendly*) in music, choreography, and costumes while providing **high quality instruction** in a **high energy** (fun) atmosphere. We commit to perform with our **Na'au** (heart and soul), and to put **No-limits** on what we or our students can accomplish as we are continually reaching for perfection.

About our Program:

We have developed a program that caters both to the recreational and serious performer. We have 3 performing/competitive companies - called the N2 Dance Hip-hop Company, N2 Dance Jazz Company, and N2 Voice Company which do extra performances, competitions, and conventions. We hold auditions for the N2 Dance Companies typically in September of each year. Auditions are by invitation only. Dancers and singers who are interested in being considered should come see us about what classes they should be enrolled in prior to being considered to audition.
